Was the AIDS Virus tested on Expendable People By Harry V. Martin http://www.freeamerica.com/GovernmentCtrl/govctrl8.html

The bottom line is that the medical systems are controlled by financiers in order to serve financiers. Since you cannot serve people unless they get sick, the whole medical system is designed to make people sicker and sicker.

Guylaine Lanctot, M.D.

"If we look closely, we realise that health for all, according to the WHO, means medicalization and vaccinations for all. That is to say sickness for all."

Guylaine Lanctot, M.D.

"Vaccines are used to test biological weapons........ I found that vaccines are used to spread diseases. They are used for targeted genocides."

Guylaine Lanctot, M.D.

"Immunization is total nonsense! More than that is what’s hidden from people about vaccines. They are dangerous. One child out of five has overwhelming disabilities from vaccines—neurological problems, seizures."

Guylaine Lanctot, M.D.
"The medical authorities keep lying. Vaccination has been a disaster on the immune system. It causes lots of illnesses. We are actually changing our genetic code through vaccination.

Vaccination is the biggest crime against humanity."

- Dr. G Lanctôt MD, Canada
"They are running a monopoly and they will lie, cheat and steal to keep it that way."—Dr. Eva Snead

[Mafia is an Euphemism for Psychopathic. This group of psychopaths runs Allopathy. Known as IG Farben in Germany which merged with Rockefeller (the creator of Allopathy Inc) before the war. Only the top people in Allopathy know the whole truth on Allopathic medicine, and covert-vaccine agendas. Most visible entity would be the AMA whose antics over the years make Pol Pot look like a choir boy (he, incidentally, was funded by the CIA). They run the typically Mafia huge extortion scheme known as the Disease Protection Racket. It is also the main foundation of the Matrix mind control as Fear of Disease in the first world is the main fear of Fear Inc.

Best expose in book form is The Medical Mafia by Guylaine Lanctot, M.D., Naked Empress by Hans Ruesch & The Drug Story by Morris Beale, How the Drug Trust took over medicine can be read in Murder By Injection by Eustace Mullins. How they suppressed Homeopathy can be read in Divided Legacy Vol 3: by Harris L. Coulter. Suppressed or ignored dozens of disease cures in cancer, AIDS, Alzheimer's, cot-death, infections, arthritis, heart disease etc, as this Tyrant runs on Power & money fuelled by fear of disease, propaganda & it's covert monopoly. Ego denial helps keep her in power. This Empress when naked is Satanic (vaccination: 666) & run by psychopaths. One of the main money sources for the Elite, hence its power. Just like most soldiers have no idea about the real reasons for wars like Iraq, most medical workers have no idea Allopathy is run purely for profit, and is out to harm and kill—most of these people are not ready to be unplugged and many are so hopelessly dependent on the system, they will fight to protect it. To see its true nature exposed see one of its main rackets--Cancer.

**See:** [Allopathy Inc personality profile](#) Lying repeatedly without remorse, knowingly cheats to win, takes advantage of “suckers,” tells other what they want to hear, knowingly cheats to win, dishonest, Lacking any remorse or guilt, Acting in a conning or manipulative way, Displaying signs of criminal diversity, dishonest, veneful, pitiless, intimidating and bullying, fear-mongering, amoral, manipulative, exploitive, specializes in creating false images to sell self, dominating.

GANGSTERS IN MEDICINE By Thomas Smith

[2003] Depopulation and HIV by Jon Rappoport

"The medical cartel, at the highest level, is not out to help people, it is out to harm them, to weaken them. To kill them. At one point in my career, I had a long conversation with a man who occupied a high government position in an African nation. He told me that he was well aware of this. He told me that WHO is a front for these depopulation interests."—Jon Rappoport interview

"The medical monopoly or medical trust, euphemistically called the American Medical Association, is not merely the meanest monopoly ever organized, but the most arrogant, dangerous and despotic organisation which ever managed a free people in this or any other age. Any and all methods of healing the sick by means of safe, simple and natural remedies are sure to be assailed and denounced by the arrogant leaders of the AMA doctors’ trust as fakes, frauds and humbugs. Every practitioner of the healing art who does not ally himself with the medical trust is denounced as a 'dangerous quack' and
A large part of this medical disaster that the United States currently experiences is due to the way our medical community is organized. Basically it is not organized to heal and to cure disease; the medical community, particularly at its upper levels, is a commercial venture organized to make money for its practitioners. The Cardiac surgeon, for example, does nothing whatsoever to cure cardiac disease. Three to five percent of the heart surgery patients die on the operating table. Cardiac surgery provides no better three year survival rate than no treatment at all. A Harvard survival study of 200,000 patients revealed that the long term survival rate of patients subjected to surgery was no better than the survival rate of those that had no surgery.

"1935 The Pellagra Incident. After millions of individuals die from Pellagra over a span of two decades, the U.S. Public Health Service finally acts to stem the disease. The director of the agency admits it had known for at least 20 years that Pellagra is caused by a niacin deficiency but failed to act since most of the deaths occurred within poverty-striken black populations."

--A History Of US Secret Human Experimentation
"We have developed a non-toxic, detoxication procedure where we can take the addicts off heroin or methadone with no withdrawal symptoms. The addicts have no desire to return to the drug and if they do take a "fix," it is like injecting plain water, the detoxication is so complete and rapid.... Methadone is far worse on the body, from a metabolic point of view, than is heroin...It is unconscionable to me to put a person on methadone maintenance with no way to get them off."

Archie Kalokerinos A.M.M., M.B.B.S., Ph.D., F.A.P.M.

"My husband has been persecuted by extremely powerful forces for asking questions that his research findings made it morally and ethically essential for him to ask.........I used to believe that this country was a bastion of academic integrity and intellectual freedom. So this whole sad process of attrition, isolation and vilification, on a very personal level, has sickened and disillusioned me.........The endless stream of lies told by powerful people in positions of great public trust is horrifying."

Carmel Wakefield

"I am no longer "trying to dig up evidence to prove" vaccines cause autism. There is already abundant evidence.....This debate is not scientific but is political."

David Ayoub, M.D.

"It is easy to understand why researchers might want to obscure the man-made origin for AIDS and blame primates. It is now apparent that most of the major researchers promoting the African primate origin of AIDS were connected with the largely secret Special Virus Cancer Program, or are scientists involved in the transfer of viruses in animal research, particularly primate research."

Alan Cantwell M.D.

"10,000 infants die every year--needlessly--from cot-death".

Linus Pauling
"There is no question that HIV was introduced into the U.S. male homosexual population via the gay hepatitis B vaccine experiment that took place between 1978 and 1981. My research clearly supports the outbreak of AIDS cases in Los Angeles and San Francisco shortly after the experiment began in those cities. Not surprisingly, the government has refused to release data on the number of AIDS deaths that have occurred in the large group of gay men who initially volunteered for the vaccine experiment."

Alan Cantwell M.D.

"Cot-death is no longer a problem of clinical medicine but is one of medical politics. We have long had the knowledge and experience as to how these unnecessary deaths can be avoided. In the meantime...to prevent your offspring from becoming a SIDS statistic just make sure that its daily intake of ascorbate from conception on is sufficient. Under this regime the neonate is so robust and healthy that there has never been a case of SIDS among these ascorbate corrected infants, not even a case of respiratory distress during birth."

Irwin Stone, Ph.D.

"In 1989-1991......Kaiser Permanente of Southern California and the CDC jointly conducted a measles vaccine experiment. Without proper parental disclosure, the Yugoslavian-made "high titre" Edmonston-Zagreb measles vaccine was tested on 1,500 poor, primarily black and Latino, inner city children in Los Angeles. Highly recommended by the World Health Organization (WHO), the high-potency experimental vaccine was previously injected into infants in Mexico, Haiti, and Africa. It was discontinued in these countries when it was discovered that the children were dying in large numbers."

Alan Cantwell M.D.

"In one case where complete remission was achieved in myelogenous leukemia...the patient took 24-42 gms vitamin C per day...it is inconceivable that no-one appears to have followed this up......without the scurvy, leukemia may be a relatively benign, non fatal condition. I wrote a paper...in an attempt to have the therapy clinically tested. I sent it to 3 cancer journals and 3 blood journals...it was refused by all....Two without even reading it."

Irwin Stone, Ph.D.

"Researchers Dr. Garth Nicolson and his wife Nancy have found a tiny bacterial microbe (a "mycoplasma") in the blood of nearly half the ill vets with GWI. Amazingly, this infectious agent has a piece of HIV (the AIDS virus) attached to it. This microbe could never have occurred naturally. On the contrary, the composition of the microbe suggests a man-made and genetically-engineered biological warfare agent."

Alan Cantwell M.D.
"In the 1950s the Schute brothers...said vitamin E worked against heart disease and cerebrovascular disease. They were greeted with laughter. A couple of years ago, the Harvard School of Public Health...showed that just 100 units of vitamin E per day decreased the death rate by 40 percent. How many Americans would have been saved in the intervening 35 years had Harvard taken a responsible position and said, 'We are skeptical of these claims but let's look at them'? But they wouldn't do that—it didn't fit their paradigm. So vitamin E was totally destroyed by the establishment. Think of the cost of those decisions."

Linus Pauling

"There is not one, but many cures for cancer available. But they are all being systematically suppressed by the ACS, the NCI and the major oncology centres. They have too much of an interest in the status quo."

Dr Robert Atkins, M.D.

"We've had numerous people diagnosed with Alzheimer's who got better; they just come out of it; they are leading normal lives today. And then, of course, what the doctors say is it's not Alzheimer's. You run into that Catch-22 all the time. They say, well, it was probably just a temporary premature dementia, and they write-off the recovery to preserve their ignorance."

Dr. Richard Shulze, N.D. M.H.
